## OUR ETHOS

Greenwood High was founded in 2004 on a conviction that education, at its finest, is a participative journey where the child is the architect of their own learning. We nurture young people who are academically accomplished, morally grounded, creatively expressive, and socially conscious — free thinkers who question with respect, debate with evidence, and act with integrity.

Our motto, Rooted in Knowledge, is not a tagline — it is the living philosophy shaping every classroom interaction, every co-curricular pursuit, and every milestone our students achieve. We equip minds with the intellectual rigour of world-class curricula while grounding them in values, cultural identity, and global citizenship.

Freshness in approach, openness of enquiry, breadth of study, creative independence, and ambition for real quality — these are the hallmarks of a Greenwood High education. Our harmonious student-teacher relationships, our emphasis on intellectual and cultural diversity, and our commitment to social responsibility together define a school that prepares students not merely to pass examinations, but to lead meaningful lives.

## VISION

To be a globally recognised school that nurtures lifelong learners — rooted in values, driven by curiosity, and empowered to make a positive difference in the world.

## MISSION

To develop the intellectual, aesthetic, moral, physical, social and emotional potential of every student in a stimulating, inclusive, and supportive environment.

## OUR LEGACY

Since 2004, Greenwood High has grown into one of India's most celebrated schools — expanding across multiple campuses, earning top national rankings, and sending graduates to the world's finest universities. IB results consistently surpass global averages. IGCSE and ICSE students regularly achieve India-topper status. Our alumni — 3,000+ strong — are making their mark across the globe.

## AWARDS & NATIONAL RECOGNITION

Greenwood High has been consistently awarded and "Ranked No. 1" year after year for decades in Karnataka and India in multiple categories by leading education surveys conducted by The Times of India School Survey, Education Today and EducationWorld.

## CAMPUS FACILITIES

### CO-CURRICULAR

Robotics, MUN, musical theatre, hackathons, debates, Plutus Econ Fest, art & music programmes — excellence beyond the classroom

### LABS & LIBRARY

State-of-the-art science, computer, and language labs. Extensive library with curated collections spanning all curricula and age groups..

### SPORTS

Cricket, football, basketball, tennis, swimming, gymnastics, wushu & more. Students earn state & national medals across disciplines every year.

### TRANSPORT

145+ AC buses covering all Bengaluru localities. GPS tracking, speed governors, Route Alert systems. Daily breath-analysis testing for all drivers.

### NUTRITION

Purpose-built cafeteria, Menus planned by nutritionists, prepared by professional chefs. Warm breakfast and balanced lunch daily.

### BOARDING

Girls' & Boys' International Houses (ages 10–18). Supervised by Pastoral Parents. A nurturing home-away-from-home fostering independence and resilience.

## CAREER GUIDANCE & COUNSELLING

Our students are some of the most sought after by universities because of our comprehensive education programme.

We have experienced counselors to guide our students in terms of applications processing and screening of universities.
